A MESSAGE FROM MISS SAWYER

Wednesday's Pro-strike activity was an absolute blast for everyone involved. The energy across the school was incredible as the children tackled the interactive challenge with enthusiasm. It was a joy to see so many of our teachers getting stuck in and joining the fun alongside the children although I suspect some of the staff might have been even more competitive than the children! It was a fantastic day that perfectly captured our school's spirit of high energy and laughter.

We were also delighted to welcome our new families this week as they prepare for their children to start in Reception this September. It was a proud moment for all of us to showcase our learning environment and share what makes our community so special. The feedback from our visiting parents was overwhelmingly positive, and it was wonderful to see their excitement as they toured the school. We are already looking forward to officially welcoming these new faces into our school family!

CLASS ATTENDANCE

YORKSHIRE MUSEUM

We are thrilled that this term all our students will have traded their desks for the historic halls of the Yorkshire Museum. Set within the beautiful Museum Gardens, this world-class institution offers our pupils a unique opportunity to walk through millions of years of history, from the prehistoric era to the medieval splendor of York.

Over May half term there are lots of activities happening at the Yorkshire Museum and within the Museum Gardens that you might be interested in visiting -
