

22nd June 2026

Dear Parents/Carers,

As part of our ongoing commitment to providing the best possible learning environment for your children, I am writing to inform you about some exciting updates for the upcoming academic year (please note the changes below will only begin from September 2026).

At Park Grove, we are constantly adapting our learning areas to continue to support the children's learning, collaboration, and well-being. Over the summer break, we will be rearranging some of the Key Stage 2 classrooms upstairs.

With these changes, we are also updating our morning drop-off and afternoon pick-up locations to continue to create a smooth, safe, and efficient entrance and exit to the school.

Starting from **September 2026**, please note the entrance and exit points for each class:

- Lime Class & Maroon Class: Please use the entrance and exit by the school gym.
- Turquoise Class & Magenta Class: Please use the entrance and exit by the side of the school (near Dudley Street).
- Indigo Class: Please use the entrance near the afterschool club (located just around the corner from the Turquoise and Magenta entrance).

School staff will be outside during drop-off and pick-up during the first week back to help guide you and the children to the correct doors. I have also attached an image which shows the locations above for your information and for you to show any children that would prefer a visual of their entrance before September.

If you have any questions or would like to discuss anything further, please do not hesitate to contact me.

Thank you for your continued support.

Mr Rogers
Assistant Headteacher
