

3rd July 2026

Dear Parents and Carers,

As we approach the end of the academic year, we are writing to update you on the arrangements for your child's end-of-year report and their Key Stage 2 SATs results.

You may have seen in recent news reports that the national exam board has issued an official apology following an unexpected delay in processing and releasing this year's SATs results across England.

Because of this national delay, our normal date for informing you about the SATs results has had to change slightly.

Your child's end-of-year school report will be sent home as originally scheduled on Wednesday 8th July 2026. However, please be aware that this report will only include teacher assessments. Unlike previous years, it will not contain their final SATs marks or scaled scores, as the school will not have received them by this point.

Once the national data is processed and released to us, you will receive your child's official SATs results directly via Arbor on Thursday 16th July 2026.

We understand that the children worked incredibly hard in the lead-up to their assessments, and we share in any frustration regarding this nationwide delay. We want to reassure you that the primary focus of our upcoming reports remains celebrating the fantastic progress, effort, and achievements the children have shown throughout their time in Year 6.

Thank you for your continued support, patience, and understanding. If you have any questions, please do not hesitate to contact me.

Many thanks,

Mr Rogers
Assistant Headteacher
