

PARK GROVE PRIMARY ACADEMY

Information for Parents

Statutory Results – July 2026

Early Years Foundation Stage (EYFS)

When children enter school in Reception at Park Grove Primary Academy, they are assessed against different criteria. This forms what is known as the 'Baseline' assessment result. As the year progresses, the teachers continuously assess to see what each child can do. At the end of the Reception year, the children are assessed again to see if they have met the expected criteria set out in the EYFS framework. This is a statutory assessment and is called the EYFS Profile.

Each area of learning has an expected level which the children should reach, which is known as an Early Learning Goal (ELG). A child who achieves the expected Early Learning Goal across a range of areas will be assessed as achieving a GLD (Good Level of Development) by the end of the year. Schools aim to ensure that as many children as possible reach a Good Level of Development. However, if children do not achieve GLD it does not mean they have not made progress, it simply means that they have not quite achieved the goal in one or more aspects of learning.

Good Level of Development results

Reception	Park Grove 2023	National Result 2023	Park Grove 2024	National Result 2024	Park Grove 2025	National Result 2025	Park Grove 2026	National Result 2026
Good Level of Development	66%	67%	82%	68%	80%	68%	76%	72%

Year One Phonics Screening Check

Every year, in June, the Year One children are given a Phonics Screening Check. This is a statutory check to assess whether they have met the standard that is expected for a Year One child in phonics. The children are assessed in a 1-1 environment with their teacher to determine whether they are able to 'sound out' words by using the skills they have learnt in their phonics lessons throughout the year. If the children do not meet the required standard at the end of Year One, they are assessed again in Year Two.

Year One Phonics Screening Result

Year One	Park Grove 2023	National Result 2023	Park Grove 2024	National Result 2024	Park Grove 2025	National Result 2025	Park Grove 2026	National Result 2026
Phonics Screening Check	93%	79.5%	76%	80%	89%	81%	70%	82%

Year 4 Multiplication Check (MTC)

The multiplication tables check (MTC) is statutory for all Year 4 pupils registered at state-funded maintained schools, special schools or academies in England.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently.

The children use an electronic device to answer 25 multiplication questions under timed conditions. There is no 'pass mark', but rather children are measured on their progress throughout the year and a score out of 25 is reported to parents. Results below show 25/25.

	Park Grove 2019	National 2019	Park Grove 2024	National 2024	Park Grove 2025	National 2025	Park Grove 2026	National 2026
MTC	55%	29%	74%	34%	80%	37%	72%	44%

Key Stage Two (KS2)

When children reach the end of Year Six, they are assessed using Key Stage Two Statutory Tests and Teacher Assessments. These assessments demonstrate the progress that the children have made during their time at primary school. Tests are taken for Reading, Maths and Grammar, Punctuation and Spelling (GPS). Writing is assessed using Teacher Assessment only.

Please note that there were no published results in 2020 or 2021 due to COVID.

*The data below shows the number of children who achieved the **Expected Standard (EXS)** and **Greater Depth standard (GDS)** for each subject tested and how many children achieved EXS and GDS in Reading, Writing and Maths (RWM) combined.*
