

23rd September 2026

Dear parents/carers,

As part of our Ignition topic, we are excited to be taking the children in Year 1 and Year 2 on a visit to our local area at The Foss Fairy Trail on **Wednesday 14th October**.

The visit will take place during the morning, from 9am to approximately 10.30am.

This visit will provide the children with an exciting opportunity to explore and learn more about our local area. It will also link closely with our Geography unit, allowing the children to develop their understanding of the environment in our local area and make connections in our learning.

We will be looking for a number of parent/carer volunteers to join us on our visit. Your support would be greatly appreciated and will help us to ensure that the children have a safe, enjoyable and memorable experience.

Please note that any parent/carer wishing to volunteer must have a current DBS check with the school. If you are unsure whether you have a current DBS or would like to arrange/check this, please speak to the school office.

Please contact your child's class teacher if you would like to volunteer.

We are really looking forward to taking the children out into our local area and seeing their curiosity and excitement as they explore!

Thank you for your continued support.

If you have any questions please get in contact us via Seesaw.

Many thanks,

The KS1 team
