A MESSAGE FROM MISS SAWYER

Welcome back to a brand-new school year! I hope you all enjoyed a wonderful, relaxing summer break with family and friends. It has been fantastic seeing the playground filled with energy again, and we are so excited for the learning, laughter, and milestones that lie ahead in the coming months.

A particularly warm welcome goes to our brand-new families, and a huge well done to our new Reception children. Starting primary school is a massive step, but they have settled in beautifully and are already filling their classrooms with bright smiles and boundless curiosity. Thank you for your continued partnership and support in making our school community such a vibrant place to learn – let's make this year our best one yet!

OUR PARK GROVE COMMUNITY

This week the children had an assembly about our Park Grove Community. We talked about all the people involved in working together to make Park Grove a success; the children, families, governors, teachers, teaching assistants, office staff, lunchtime supervisors, cleaners and of course our amazing PTA.

We also discussed our school rule of being respectful and how we show every adult in school the same respect. The children also familiarised themselves with pictures of all our staff in school (particularly those new to Park Grove this school year).
