## A MESSAGE FROM MISS SAWYER

### Updates to Our Attendance and Behaviour Awards

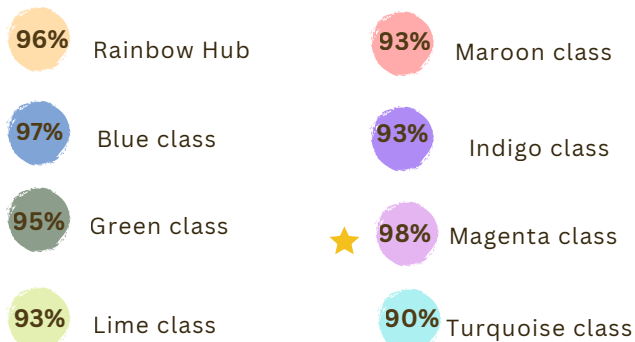

To keep our rewards fresh and exciting for the children, we are updating how we celebrate great attendance and positive behaviour this school year. We have loved running our weekly attendance raffle, but to make our recognition even more meaningful, we are moving to new Termly Class Awards.

At the end of each term during our special assembly, one child from every class will be awarded a £10 Amazon voucher for Attendance (recognising either excellent overall attendance or significant improvement), and one child will receive a £10 Amazon voucher for Behaviour (celebrating outstanding conduct and a fantastic attitude toward learning). There will of course be many other opportunities for ALL children to be recognised for attendance and behaviour throughout the year - this new award is simply to replace the raffle.

We appreciate your continued support in helping your children arrive on time and ready to learn each day, and we look forward to celebrating their hard work and achievements together!

### CLASS ATTENDANCE

## HELLO YELLOW

On Friday 9th October our school will be taking part in Hello Yellow, an annual initiative organised by the children's mental health charity Young Minds. Hello Yellow is all about showing young people that they are never alone with their feelings and that small acts of support can make a big difference.

To celebrate, we are inviting all pupils and staff to wear something yellow to school for the day—whether that's a full yellow outfit, a bright jumper, or simply a pair of yellow socks or a hair accessory! Thank you for helping us stand bright, support positive mental health, and remind our pupils that there is always someone to talk to.

## DATES FOR YOUR DIARY

Thursday 15<sup>th</sup> October - Portrait Photographs

Friday 13<sup>th</sup> November - Training Day

Monday 30<sup>th</sup> November - Flu vaccinations

## INSTAGRAM

**park\_grove\_primary\_academy** Some of our Year 6 mathematicians are off to St Peter's School today for an exciting morning at the Junior Maths Challenge! Good luck to our team as they take on problem-solving puzzles and the maths relay! 📐
