A MESSAGE FROM MISS SAWYER

We have so much to be proud of at Park Grove! Every week, our celebration assembly gives us a wonderful opportunity to shine a light on the brilliant work taking place in our classrooms. I have been particularly impressed by the quality of handwriting and presentation in the children's books. It is fantastic to see them taking such deep pride in their work.

On top of that, we have some exciting news to share from last week: four of our Year 6 pupils—Arthur, Finn, Sarah, and Sylvianna represented Park Grove at a maths competition held at St Peter's School. Competing against many other schools, our team came out on top and won the entire competition! Huge congratulations to our talented mathematicians; you have made the whole school community immensely proud.

CLASS ATTENDANCE

AUTHOR VISIT

We were lucky enough to have author Rab Ferguson visit school this week. He led an assembly for our KS2 children and copies of his books have been donated to school by York Carers Centre. Rab's books feature young carers and this was a great opportunity to highlight young carers and the wonderful part they play in supporting their families.

Personally signed copies of The Late Crew series are available for any children who were excited by the assembly and would like their own copies of the books. Books purchased via this link <https://www.thelatecrew.co.uk/category/pre-order-for-school-visits> before the end of the day on Wednesday 8th October will be signed by Rab, dropped off and given to the children on Thursday 9th.

Referrals can be made via school to young carers, if you would like to discuss this please speak to a member of our inclusion team or your child's teacher.

park_grove_primary_academy Today, our KS2 children had a fantastic time welcoming Rab Ferguson to Park Grove.

From hearing exciting extracts of 'The Late Crew', to learning what it takes to become a real-life author, the hall was filled with big imaginations and even bigger questions! A massive thank you to Rab Ferguson for inspiring our next generation of storytellers. 🌟👏
