A MESSAGE FROM MISS SAWYER

We are pleased to share the news that the Department for Education has now formally approved the merger between Ebor Academy Trust and Nexus Multi Academy Trust. The new Trust will be called Nexus Ebor Schools Trust (NEST), and we are working towards a merger date of September 2027.

The merger brings together Ebor's experience in mainstream primary education with Nexus' expertise in specialist education and SEND, creating opportunities to share expertise, strengthen inclusive practice and provide even better support for children. The aim is to build on what is already strong in our schools while creating new opportunities for the future. We will keep families updated as the final arrangements progress.

There will be no immediate changes to day-to-day school life, and importantly, our school will retain its name, leadership team, uniform and existing governance arrangements.

FOSS FAIRY TRAIL

This week our Key Stage 1 children explored the Foss Fairy Trail. We love to utilise what's available to us in our local environment as much as possible and this visit fit beautifully with our current topics of Fairy Tales, and our local area in geography. The children identified physical and human factors on their walk and we had lots of discussions around river safety and how to manage hazards in our environment. Thank you so much to the parents who came and helped.

They used 'conscience alley' to help the main character in the class text make a big choice. Next, they will write this problem into their own stories this week! 📖 🌈
