A MESSAGE FROM MISS SAWYER

End-of-Day Safety on the School Field and Playground

As we enjoy the end of the school day together, we kindly ask for your support in keeping our school grounds safe for everyone. If children wish to use the school field after pick-up time, they must be accompanied by an adult, with the exception of pupils in Years 5 and 6. Please remember that once the school day has ended, parents and carers remain fully responsible for the supervision and safety of all children on site, including those in Years 5 and 6.

To help prevent accidents, please also remind your children that riding bikes in the playground is not permitted, and they must not climb any of the trees. Several of our trees are unsafe and already have broken branches, posing a serious risk of injury. Thank you for helping us keep our community safe by supervising your children closely at all times while on the school grounds.

CHILDREN IN NEED

It was great to see everyone in their pyjamas yesterday for Children in Need.This annual nationwide campaign helps fund thousands of charities and grassroots projects across the UK, making a real difference in the lives of children and young people who face challenges such as poverty, illness, disability, or mental health struggles.

Should you wish to make a donation to the BBC Children in Need charity please donate online using this link: https://donate.bbcchildreninneed.co.uk/

Wednesday 16th December - 9am - Reception Nativity

INSTAGRAM

park_grove_primary_academy Yesterday, Lime Class dived straight into our next exciting writing topic: Ancient Egypt!

As part of immersion, the children put their detective skills to th test by matching different Egyptian gods and goddesses— getting ready to write their very own non-chronological reports soon!
